

15CSE337 Cloud Computing and Services

Lab Practice Exercise 1

Design the following registration form with necessary validations using HTML/CSS/JavaScript. When clicked on “Submit” button, you should show a second page with confirmation message.

School of
Engineering

* under process

CANDIDATE DETAILS

Name of the candidate as per 10th Std. records * ⓘ

Gender *

Date Of Birth *

Age as on 1st July 2018 *

Category *

Are you a Physically challenged Person having disability - 40% or above? *

Email Address *

Mobile No (Enter a valid 10 digit mobile number) *

Captcha Code * OMSP58 Enter Code Shown In Image

☐ I accept the Terms & Conditions and Rules & Regulations

Submit

*This link / page is best viewed in IE 10 and above, Mozilla Firefox & Google Chrome

Design considerations

- You must use atleast one dropdown field and one radio button field.
- Age must be calculated based on date of birth automatically and hence age is a read only field
- Captcha code must be random each time we load the page
- Values for Gender are male, female, transgender
- Values for category as GEN, SC, ST, OBC
- Second page should have same header and footer elements as the registration page

Validations

- Date of Birth cannot be a future date
- Age has to be minimum of 15 years
- Email address must be valid
- Mobile number must be 10 digits
- Name must have minimum of two strings (illustrating first name and last name)

AMRITA
VISHWA VIDYAPEETHAM

School of
Engineering

AMRITAPURI | BENGALURU | COIMBATORE | CHENNAI | AMARAVATI*

#8 RANKED 8
in University category as per
NIRF India Rankings 2018
